or Stay for the entire festival - Jan. 29 to Feb 12th! From \$5690.00 per person, double occupancy.

Both packages begin with and include 3 full days of touring Easter Island, the only difference is the amount of festival events you will be able to attend. The first departure highlights the beginning of the festival (Thursday, Friday and Saturday events) and the second departure is for the next full week of events, including the crowning of the island Queen! Either way you will attend some of the most incredible dancing, singing and island sports events, unique to Rapa Nui!

Optional Add-ons available from Lima, Peru: LIMA - CITY TOUR, MACHU PICCHU with CUZCO, IGUASSU FALLS, AMAZON CRUISE, LAKE TITICACA or you can opt to fly to Easter Island through Santiago, Chile, and add the following options: ATACAMA DESERT, PATAGONIA FJORD CRUISE, or TORRES DEL PAINE! Let us know and we can quote you on any of these extensions.

We are using LIMA, PERU as our airfare gateway city, as LAN Airlines offers some great fares for advance bookings from Lima and on to Easter Island, and a time savings of over 6 hours, rather than flying and connecting through the original gateway of Santiago, Chile. Once you decide on the package you would like to book, and any extensions, let our air department find you the best airfare. We typically save our clients over \$1,000.00 or more by booking the air portion for them.

We only have a small group of rooms for Tapati 2012 as it is a popular island event and sells out quickly. So don't delay - book today!
